Dear Public Housing Resident:

This letter is to provide you with updated information as to temporary changes to the Public Housing Program to protect tenants and HA staff.

As you know the HHA is providing service in a manner to limit in person contact. Where possible services will be performed by mail, e mail, telephone and fax. The HHA has amended our policies to accept electronic signatures and alternative forms of documentation where possible during this pandemic.

Last year we informed you of some temporary changes to the program approved by HUD, these changes are still in place and in some cases the dates have been extended by HUD. If you do not still have it, the original letter sent to you is posted on our web site at <http://www.hudsonhousing.org/> and the new extended dates are also on our web site in a checklist form which was provided by HUD. This website also contains additional Covid-19 resources and information. Please contact the HHA if you have any questions on this information.

The HHA will commence some inspections activities relating to the public housing project but will do so in compliance with CDC and local guidelines. Please remember that you can always contact the HHA to request an inspection if you would like a unit inspection or there is something wrong in your unit.

Domestic Violence

The HHA can still process requests for protections under VAWA. Shelter-in-place policies in the U.S. do not require anyone to stay in a violent or unhealthy situation, police officers can still visit any facility that is restricting visitors to respond to 911 calls. For help regarding an abusive relationship, domestic violence, sexual assault or stalking you may contact: The National Domestic Violence Hotline at 1-800-799-7233 or, for persons with hearing impairments, 1-800-787-3224 (TTY).
